=====

Strategically located, it takes about 5 minutes to San Carlos de Bariloche downtown and 15 to Cerro Catedral Ski Center.

The right address is:

Jorge Luis Borges street, 4979. Barrio Parque El Faldeo, (around Km 4,7 Av. De los Pioneros)

I've already arrived to San Carlos de Bariloche. How do I get to Luz de Cielo?

You must keep going around the lake, firstly along "12 de octubre" Av., which changes its name by "Juan Manuel de Rosas" and finally it is

called "Ezequiel Bustillo". Once you reach the 4th km on Bustillo Av., turn left and take "Boock" St.. After around 500 m there is a

traffic light. Turn right and take "De los Pioneros" Av., until the 4.7 km. Then turn left (you will see on the corner a "Luz de Cielo

apart" sign) and take "Escritores Argentinos" St.. Turn second right (there is a square in the corner) and take Jorge Luis Borges. After

approx. 80 m you will find us.

From El Bolsón through 40 route You must turn left in "Pasaje Gutiérrez" Av., (there is a sign that reads " Av. Pioneros, Centro"
Reference: there is a building of Hipertehuelche's shop). Continue until "De los corner a "Luz de Cielo apart" sign) and take "Escritores Argentinos" St.. Turn second right (there is a square in the corner) and take Jorge Luis Borges. After approx. 80 m you will find us.
